

We believe our diversity comes from investment in our employees. Rather than making a practice to hire only experience staffing professionals, we hire and train our talent from the communities we support.

87%

**DIVERSITY AMONGST OUR
CONTINGENT WORKERS**

The make-up of our team reflects the uniqueness of our communities. 87% of our contingent staff identify as Black, Hispanic or Asian

DEI STRATEGY

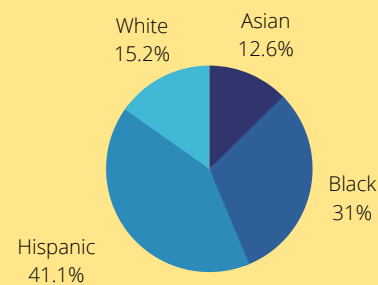

We are committed to a transparent diversity, equity, and inclusion strategy that informs all layers of our organization

3 FUNDAMENTAL PILLARS

- Finding diverse talent
- Developing our talent in equitable ways
- Retaining our talent to help us continually improve

OUR DIFFERENCES ARE OUR GREATEST STRENGTHS

We have always been a company composed of individuals who believe our collective humanity has the power to enrich and shape the world around us

DIVERSITY AT ALL LEVELS

- Presenting opportunities to our diverse, yet under-represented communities
- Following diverse hiring practices internally and externally
- Created a Franchise Model for diversity certified ownership
